

Cycling can be a great commute option. There are lots of good reasons to give it a try.

Commuters who bicycle to a Hunterdon County worksite or public transit station at least two days per week, even seasonally, and register with HART, are eligible for:

Yes, I will ride my bicycle to work at least two days per week. Please register me!

Save money

You can save on commute costs by using "pedal power" instead of gasoline for your car. With today's fuel costs, each mile can add up!

Health benefits

Whether you are an avid cyclist or casual weekend rider, combining your workout with your commute ensures that you fit exercise into your schedule.

One Less Car

When you choose to cycle instead of taking your car, you reduce traffic congestion and the amount of harmful emissions released into the atmosphere.

"Go Green, Save Green"

Registered bicycle commuters are eligible to receive discounts at local bike shops, retailers, restaurants, and services.

Routing Assistance

HART may be able to assist you in identifying routes to work.

Emergency Ride Home

Cycling commuters never have to worry about getting home in the event of inclement weather or a mechanical problem. HART's Emergency Ride Home Program will subsidize the cost to get you home.
