

## Sustainable Hunterdon<sup>SM</sup>

Is your community pursuing certification under the **Sustainable Jersey<sup>TM</sup> Program**?

**Sustainable Hunterdon<sup>SM</sup>** can provide free technical support, facilitation and documentation for the many of the required action items.

### About Sustainable Hunterdon<sup>SM</sup>

Sustainable Hunterdon<sup>SM</sup> is an initiative of HART Commuter Information Services, the non profit transportation management association serving Hunterdon County, NJ.

Sustainable Hunterdon<sup>SM</sup> seeks to enhance the quality of life in Hunterdon County, NJ by advancing sustainability policies and programs locally. Under this initiative, HART provides free assistance to municipalities seeking certification under the statewide Sustainable Jersey<sup>TM</sup> program.
